

FRIDAY ROUND UP

22nd March 2024

GenR8 Assembly

This week in school the local Christian group called GenR8 performed an assembly around the Easter Story. They retold the story of Peter after his betrayal of Jesus.

As always, the children thoroughly enjoyed watching and listening to the performance.

We always appreciate having GenR8 in school at these important times in the Christian calendar. They bring stories in the bible alive for the children.

Easter

March's Climate Change Top Tips.

Samuel and Elowen in Year 6 have once again written us some great top tips for helping with Climate Change. They have started doing this as part of their roles as house captains.

- Plant plants. This will help reduce the amount of co2 in the atmosphere.
- Plant your own food E.G. Potatoes, carrots and tomatoes as this will save plastic packaging and because it is local, it will not emmitt fossil fuels from the goods imported.
- Switch to a low-carbon diet by purchasing less meat and dairy products.

SEND HINTS AND TIPS FROM MISS TAVENDER

In the average primary school class at least two children have suffered abuse or neglect. This is a shocking statistic.

The NSPCC website have some fantastic resources that help adults in school to talk and work with children. If you are interested you can take a look.

SEND IS EVERYONE'S BUSINESS

Parking around the school

We are still asking for children to design posters for us to put up on the fencing around the school to remind parents of the importance of parking safely.

Please send all Posters into the school office.

E SAFETY: THINK U KNOW

The Think U Know website is a really useful tool to help children and parents with when it comes to E Safety. There are different sections for different age groups. The 11-18 year old section may not be relevant for all children yet, but could be good to look ahead at to see the challenges that children will be facing in the future, especially if children have their first phone or are about to get their first phone.

Could you be a Governor?

It's been a busy term for all and the governors have enjoyed meeting parents at Parents' Forum and Parents' Evenings. We have a vacancy coming up on the Governing Body. If you are interested in joining us and would like to know more, please email the Co-Chairs: Joe Gilbert: jgilbert@stannes.cambs.sch.uk and Vicki Wienand: vwienand@stannes.cambs.sch.uk It would be helpful to know why you are interested and what skills you can bring.

Rocking out with Rocksteady

Our wonderful Rocksteady bands performed on Friday. We are always so proud of the children. They all performed brilliantly and showed so much confidence. Well done everyone!

Easter Egg Raffle

Don't forget it is non uniform day on **Monday 25th March** and we are seeking lots of donations of Easter Eggs! Raffle tickets for the Easter Egg Hampers are selling fast! Get yours from the school office next week. Raffle draw will be on the last day of term.

Red Nose Day

THANK YOU for all the donations for Red Nose day.

St Anne's managed to raise £324

Well done everyone
