Dear Prospective Colleague,

Thank you for showing an interest in our school. The staff, governors and children are very proud of our school and we all work hard to ensure that everyone is valued and is part of our special community. We are a small school which achieves big things. Our school's Christian values underpin everything that we do. We know that when we demonstrate Joy, Creativity, Resilience and Respect, we are striving to be the best that we can be.

To help you learn more about our school and the role of a Class Teacher (Maternity Cover) at St Anne's C of E Primary School, please find enclosed:

- A job description
- A person specification
- An application form

The person specification contains the criteria that the selection panel will use in the selection process. In addition, the panel will place considerable emphasis on your completed application form. The panel will be particularly interested in your recent work to inspire children to learn.

When completing the application form please follow these guidelines:
