

# FRIDAY ROUND UP

23rd November 2023

## YEAR 5 CLASS ASSEMBLY

Today we were treated to the Class 5 Assembly. The children had put together their own running order and decided on their own parts for the assembly, so it was a real team effort. During the assembly, they told us about their art installations and read out the poems that they had written about biomes. In addition to this, they put on a brilliant performance of an extract from Macbeth and performed sea shanties using glockenspiels and drums. Well done Class 5!

## Thank you!

Thank you to everyone who donated to the fun last Friday as the school ran events to support Children in Need.

**We raised the amazing total of:**

**£417.21**

**We hope you enjoyed all the cake!**

## Book Fair total

Thank you to everyone who bought books from the Travelling Book Fair last week. The school sold just under £1000 in books and has received

**£420 in commission**

This commission is used every year to help replace old and damaged books as well as fund some new titles for the children to enjoy.
