

FRIDAY ROUND UP

19th July 2024

Dear Year 6 Students,

As you prepare to embark on the exciting journey to secondary school, I want to take a moment to wish you all the very best. You have all shown incredible growth, resilience, and determination and all of the staff could not be more proud of each one of you.

As you move on to this next chapter, remember to chase your dreams with passion and confidence. Believe in yourselves, work hard and never be afraid to ask questions or seek help when you need it. The future holds countless opportunities and I have no doubt that you will achieve amazing things.

Secondary school will bring new challenges and adventures, but I am confident that you are well-prepared to face them. Embrace every moment, make new friends and continue to be the kind, curious and wonderful individuals you have always been.

Good luck, Year 6! Remember, the sky is the limit, so reach for the stars and follow your dreams wherever they may lead you.

With best wishes for a bright and successful future,

Mr Farrell

SUMMER FAYRE

We would like to thank everyone that helped with the Summer Faye, from getting things organised, setting up, running stalls on the day and to each and everyone person that came along to support the school. It was a wonderful day that was enjoyed by all.

We raised an amazing

£1155.16

Class 5

Year 5 went on a geography field trip to the Godmanchester Community nursery as part of their Sow, Grow and Farm topic. We saw first hand seasonal fruit and vegetables and discussed the benefits of buying locally sourced food. We also did some map work before we went to identify the grid reference and land features in the area.

Class 6

Year 6 were visited by volunteers from Godmanchester Baptist Church for their annual Just Your Move Session. Each year, volunteers kindly give up their time to come in and run a transition session with Year 6. It's a chance for the children to discuss any worries that they may have about their move to secondary school, as well as the many things that they are excited about.

On Tuesday, the Year 6s enjoyed their Leavers' Prom. They ate lots, danced lots and had lots of fun! Each year, the prom has an Oscars theme and so the prom ended with an Oscars ceremony that parents were invited in to watch. It was lovely to see the children having such a great time.

Class 3

This half term, Year 3 identified and learned about the key features of a castle, before designing and making a recycled-material castle in groups.

Plea

Please could we request any second hand uniform in KS2 sizes. The PTA have now completely sold out of all purple and yellow items for 7-8 years upwards.

Any donations can be left in the drop box in the school office.

Thank you

Piano Recital and Rock Steady Concert

This week at St Anne's, we have been lucky enough to have 2 piano concerts as part of our collective worships. A selection of children from both KS1 and KS2 played some beautiful pieces they have learnt from their lessons with our school piano teacher, Julia Riley.

It was wonderful to see them all perform with such confidence and to see their peers support them as well.

REMINDERS

Monday 2nd and Tuesday 3rd September - Inset Days
