

FRIDAY ROUND UP

8th November 2024

A MESSAGE FROM MR FARRELL

Dear Parents

Welcome back! I hope you all had a restful half-term break. It's been wonderful to see the children returning with such enthusiasm, ready to embrace the new term with a spring in their step and an eagerness for learning. It's always a joy to feel the positive energy throughout the school as we settle back into our routines.

This week, our Year 6 children completed their Bikeability course. Bikeability is a valuable cycle training programme designed to teach children practical skills, alongside the understanding and confidence they need to ride their bikes safely on the road.

We're especially proud to share that the Bikeability instructors were incredibly impressed by our Year 6 class, describing them as one of the most respectful and diligent groups they have ever worked with. Well done, Year 6! Your positive attitude and commitment to learning have been truly inspiring and we couldn't be prouder.

Thank you to everyone who has supported the programme and helped make this learning experience a success. Here's to a productive and exciting term ahead!

Best wishes

Mr Farrell

Remembrance Parade

St Anne's is joining the Godmanchester Remembrance parade this Sunday. If any of the children would like to join us, we will be meeting in the town centre (by the Town Hall) at 10:25am.

The parade is due to start at 10:45am. If children do come along, please could an adult stay with them, or walk nearby to collect them at the end, once we have walked back to the Town Hall.

CLASSROOM NEWS

Just before half term Class R were delighted to welcome their grandparents for an Afternoon Tea. The children serenaded the visitors with some class favourites and asked them questions about what life was like when they were at school, back in the day. It was wonderful to see so many grandparents attend and hear the lovely conversations. It really was a fantastic opportunity for Class R to show how well they have settled into school life. With our school vision, Do Everything in Love certainly being present. .

Year 1 have started their new Science unit, 'Seasons'. This week we went on an Autumn leaf collection, we looked at colours and shapes.

Anti-Bullying Week/ Odd Socks Day

Next week is Anti Bullying Week across the country and St Anne's will be marking it in class and in collective worship. We will also, once again, be celebrating Odd Socks Day. This is on Tuesday and we invite children to come to school wearing odd socks (there is no charge for this).

As part of this celebration, the House Captains are inviting children to send photos of their pets wearing odd socks. If you would like to do this, please Dojo your photo to Miss Sibson and we will share some in collective worship.
