

FRIDAY ROUND UP

18th September 2026

MESSAGE FROM MR FARRELL

Dear Parents and Carers,

Smile for the Camera!

Today was our annual school photo day, and the classrooms were absolutely glowing with bright, smiling faces. It was wonderful to see all the children looking their absolute best and looking so proud in their smart St Anne's uniform. We are already looking forward to seeing the final photographs when they are delivered, and we will let you know as soon as they are ready to be sent home.

Autumn Term Dates Announced

We have now finalised our calendar for the Autumn Term. A full list of these key dates is being sent out to families today. We know how busy family life can be and that taking time off work or juggling other commitments to attend school events requires careful planning. We hope that providing this notice early helps you plan your schedules for the months ahead.

Here are just a few of the key highlights to look out for this term:

- Harvest Festival (Tuesday 6th October): We are delighted to announce that this year's festival will take place at St Mary's Church. It will be fantastic to welcome parents to join us as we come together to make this a true community celebration of the season. More details on times and arrangements will follow shortly.
- PTA AGM & Christmas Fayre Planning (Tuesday 20th October): The Parent Teacher Association will be holding their Annual General Meeting. At this meeting, the team will be discussing the organisation of our upcoming Christmas Fayre. These wonderful events simply could not take place without the hard work of our PTA, and we are incredibly grateful to everyone who gives up their time to support our school. It would be brilliant to see as many parents there as possible, so please do come along if you can.
- School Disco (Friday 6th November): Another incredibly popular date for the diary! Our first school disco of the year is locked in, so keep an eye out for ticket details and timings closer to the date.

Thank you all for your continued support in making our school community so vibrant. Wishing you all a wonderful and relaxing weekend ahead.

Warm regards,

CLASSROOM NEWS

CLASS R - WILLOW CLASS

Willow Class have spent the last two weeks settling in to life at St. Anne's. We have been learning the names of children in our class and making new friends. Well done Willow Class you have been fantastic!

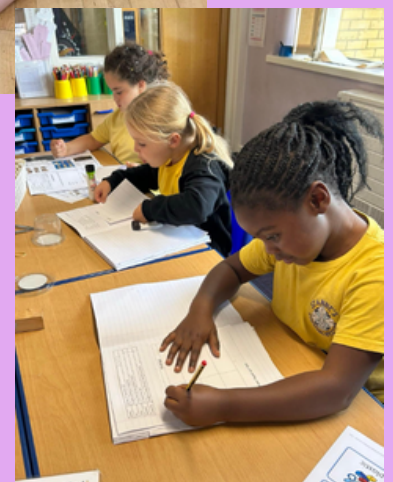

CLASS 1 - BEECH CLASS

Beech class have had a great start to year 1. They have been developing their skills as scientists and historians and really coming together in Forest School.

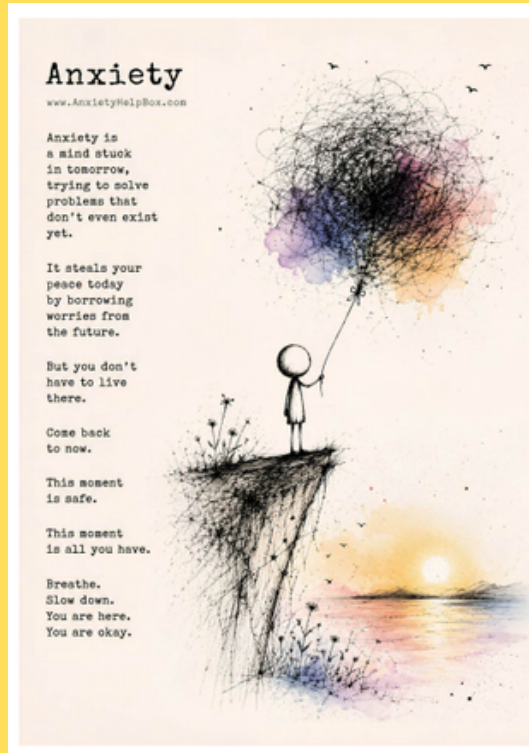

CLASS 2 - MAPLE CLASS

Maple Class have made a fantastic start to the new school year! They have settled beautifully into their new year group and are already showing enthusiasm, confidence and a positive attitude towards their learning. This week in PE, the children enjoyed gymnastics, where they worked with partners to develop and perform sequences, focusing on movement, coordination and teamwork. In Science, the children have been investigating different materials and exploring how stretchy they are. They have enjoyed carrying out investigations and discussing what they have discovered. It has been wonderful to see the children working together, having fun and embracing their learning in Year 2!

SEND: Hints and Tips from Miss Tavender

SEND is everyone's business

Could we politely request that all families vacate the school grounds once you have collected your children at the end of the day and not stay and play on school equipment. Due to clubs taking place on the playground we need the area cleared as soon as possible.

Thank you.
